

Traveling Thoughts Project

Its simple. You get one page (just the front of the page), and you create. Create what you ask? That's up to you. Simply show me how you are feeling and or, what you are thinking the days you have the sketchbook. I want to emphasize you do NOT need to be an artist, or able to draw, paint, and whatnot. This is a project for everyone. You can write a story, write a poem that means something to you, use pictures to express your feelings, truly anything goes. The only thing I ask is for you to take care of the sketchbook and to not vandalize anybody's work. Do not take offense by their pieces, and lets be accepting of everyone's masterpieces.

Then you package it up and send it to the next person!

Rules:

1. You can use ONE page (front side only)
2. Use tissue (paper tissue) or tracing paper to cover your page (that way it doesn't leak on someone elses page). Do not tape it, just place it on your page.
3. Ship it using any method (I'm assuming UPS would be best) that allows you to track it. When you get the tracking information send it to travelingthoughtsproject@gmail.com
4. You have 3 days from the time you receive it to create your page.
5. Create and design a page anyway you like that shows what you are feeling, thinking that day or at that moment. You can attach what you like (to an extent), do a collage, write something, add pictures, etc.
6. TAKE CARE OF THE SKETCHBOOK.
7. Do not tamper with anyones page, even if it offends you.
